

Scientific English

Seminar: SS 2024

Objectives:

Not only scientific reading, comprehension, translation and, paper and presentation preparation but also “the interview” and scientific “small talk” in English will be addressed. Each student will have the opportunity to stage an oral presentation (10 minutes) and practice the writing of a research article of 2 pages. The subject matter for the lectures will be selected from recent publications in eminent scientific journals, such as Nature, Science, Journal of American Chemical Society, Angewandte Chemie International Edition, Chemical Communications and others.

Lecture 1:

1. How to read a paper, <http://ccr.sigcomm.org/online/files/p83-keshavA.pdf>

The course is recommended to students from the 3rd semester onwards up to and including PhD students and post-docs. There will be restrictions on the class size, with preference given to students receiving credit points.

Requirements:

The course will be presented on Monday afternoons from 14h00 to 16h00 on the following dates: 15, 22 and 29 April, 6, 13, and 27 May, 3, 10, 17 and 24 June, 1, 8 and 15 July 2024. Please register for the course by sending an E-Mail to scientific.english@yahoo.de and you will be given access to course materials.

Lecture 1: 15.04.2024 at 14h00 in OSZ H6
