

Curriculum Vitae

Prof. Dr. Michael Lang

Physikalisches Institut / Institute of Physics
Goethe-Universität Frankfurt (M)
Max-von-Laue-Strasse 1
60438 Frankfurt(M)
Germany

Tel: +49 69 798 47241

E-Mail: milang@physik.uni-frankfurt.de

Year of birth: 1959
Present position: Professor (C4) for "Experimental Physics"
Family: Married, two children

Academic Education

1979 - 1986 Study of Physics, TU Darmstadt, Physics Diploma (with distinction),
Diploma thesis supervised by Prof. F. Steglich

Scientific Certificates / Degrees

Dissertation: Physics (with distinction), TU Darmstadt, 1991,
supervised by Prof. F. Steglich
Habilitation: Experimental Physics, 1996

Professional Career

1987 - 1991 Postgraduate, TU Darmstadt
1991 - 1992 Research associate, Institute for Materials Research, Tohoku
University, Sendai, Japan
1993 - 1996 Research associate, TU Darmstadt
1996 - 2000 Group leader (C3), Max-Planck-Institute for Chemical, Physics of
Solids, from 1998 in Dresden
2000 - present Full professor (C4) for "Experimental Physics", Goethe-University,
Frankfurt

Organisational Skills / Competences / Awards

2004 Michael and Biserka Baum Award, Goethe-University Frankfurt
2004 - 2006, 2010 - 12 Director of the Physics Institute
2007 - present Spokesman SFB/TR 49
2008 - 2013 Editorial Board Member of *The European Physical Journal B*
2008 - 2015 Rolf and Edith Sandvoss Laureatus Professorship, Goethe-University
Frankfurt
2008 - 2017 Member of the extended Senate, Goethe-University Frankfurt
2018 - Dean of the Department of Physics, Goethe-University Frankfurt
