The GWC invites you to a hilarious and entertaining event for GU's community of international researchers: An evening of online games!

There will be a colorful mix of different games and small movement tasks - from cooperation tasks to puzzle games to classic games - there will be something for everyone, we don't want to reveal too much! This networking event will bring together international researchers at Goethe University in a very casual and still inspiring setting. A perfect evening for networking and meeting new people.

This event is organized in close cooperation with the University Sports Centre (*Zentrum für Hochschulsport*).

The online game event will take place on **Tuesday, 30 March 2021 at 07:00 pm**. It will last about 2-2.5 hours. The number of participants is limited to 20.

If you want to take part, please register by sending an e-mail to the following address by 28 March 2021: events_gwc@uni-frankfurt.de
